ATTESTATIONS:

- The further processed egg product originates from egg products that are regulated and inspected by USDA's Food Safety and Inspection Service.
- Eggs are analyzed by the U.S. Food and Drug Administration (FDA) for chemical contaminants, including pesticide residues, dioxins and PCBs. Eggs are also subject to periodic FDA total diet surveys, which include analysis for pesticides, heavy metals, radionuclides and dioxins.
- Further processed egg products from this facility are legally distributed in the U.S. for human consumption. As such, the manufacturer is required to comply with the relevant food standards.
- Further processed egg products from this facility are subject to recall and/or legal consequences if found to be out of compliance with U.S. food regulatory standards.
- The further processed egg products may contain processed animal products, such as milk and milk products, and eggs and egg products whose use is permitted by the health authority of the United States as part of the formulation of this product.
- The _____ used for producing this further processed egg product was heat treated to ____°C for ____ minutes. The further processed egg products have been treated to ____°C for ____ minutes.

	SIGNATURE:

According to the Paperwork Reduction Act of 1995, an agency may not conduct or sponsor, and a person is not required to respond to a collection of information unless it displays a valid OMB control number. The valid OMB control number for this information collection is 0581-0128. The time required to complete this information collection is estimated to average 12 minutes per response, including the time for reviewing instructions, searching existing data sources, gathering and maintaining the data needed, and completing and reviewing the collection of information.

The U.S. Department of Agriculture (USDA) prohibits discrimination in all its programs and activities on the basis of race, color, national origin, age, disability, and where applicable, sex, marital status, familial status, parental status, religion, sexual orientation, genetic information, political beliefs, reprisal, or because all or part of an individual's income is derived from any public assistance program (Not all prohibited bases apply to all programs.) Persons with disabilities who require alternative means for communication of program information (Braille, large print, audiotape, etc.) should contact USDA's TARGET Center at (202) 720-2600 (voice and TDD). To file a complaint of discrimination, write to USDA, Director, Office of Civil Rights, 1400 Independence Avenue, S.W., Washington, D.C. 20250-9410, or call (800) 795-3272 (voice) or (202) 720-6382 (TDD). USDA is an equal opportunity provider, employer, and lender.
